

Refund Policy

The following refund terms apply to purchases made through Goldex Jewellery:

- **Product Unavailability:** If selected products cannot be delivered due to production problems or quality check issues, Goldex Jewellery will notify the customer by email and refund any payment made within thirty days of the notification.
- **Pricing Errors:** If a product is ordered at an incorrect price, Goldex Jewellery reserves the right to cancel the order. If payment has already been made, a full refund will be issued as soon as possible. If products are recalled in transit due to such an error, the refund will be processed once the products are returned.
- **Non-Refundable Items:** All sales of gold bars, bullion products, investment gold, precious metal accounts, vault holdings, and precious metal investment products are final and non-refundable due to market price fluctuations.
- **Custom Jewelry:** Custom-made, personalized, engraved, modified, or specially commissioned jewellery cannot be cancelled, returned, exchanged, or refunded once production has commenced.
- **Return Conditions:** Returned products must include original certificates and documentation. Missing certificates may result in rejection of the return request or deduction of replacement costs. Approved returns, exchanges, and buy-backs shall be valued using the prevailing Goldex buy-back rate on the approval date regardless of the original purchase price.
